

KÄRCHER

makes a difference

COMPACT, PORTABLE AND EASY TO OPERATE.

Compact cold water pressure washer designed to be moved easily from location to location.

PROFESSIONAL | HD 1.8/13 C

HD COMPACT CLASS

Designed to move.

The HD 1.8/13 C compact cold water pressure washer offers maximum portability, maneuverability and smart features. It can be stored, transported and operated in the vertical and horizontal position, and at 55.6 lbs, this professionally built unit can easily be moved by one person in and out of vehicles and around a cleaning site. It also includes storage options for accessories and is certified to UL and CSA safety standards.

Shown with optional Surface Cleaner 2.642-998.0

1 Vertical and Horizontal Operation

- Vertical and horizontal operation for maximum flexibility, safety and stability.

2 Mobility and Easy Maintenance

- Additional carrying handle for easy transportation to various locations, loading and unloading, and moving over stairs.
- Extendable push bar handle allows for easier maneuverability, control and storage.
- Large, removable and easy to clean water inlet filter that protects the pump from debris.

3 Storage

- Rubber strap for secure storage of high-pressure hose.
- Nozzle compartment for rotary nozzle storage and protection during transportation.
- Screw joint for surface cleaner storage.
- Integrated, high walled storage area secures the spray wand, protecting it from potential damage during transportation.

4 EASY!Force Trigger Gun

- EASY!Force technology holds the trigger down once you start it, avoiding the strain on your hands associated with other trigger gun.
